2020 MINNOW CREEK THE SILVER MINNOW LANGHORNE CREEK PINOT GRIS

\$21 / 2022

A mid-weighted and highly textural gris. Drawing on the complexity that 40% barrel fermentation bestows, notes of nashi pear granita, quince, ripe apple and jasmine are galvanised by a judicious meld of oak and phenolics. A creamy core of leesy nougatine provides a well-judged counterpoint. Flavour, balance and versatility in spades. NG 13.5% alc.

What makes this wine ideal for right now?

Expect complex pear and apple aromatics with subtle allspice and almond cream. Enticingly rich fruit on the entry leads to a full-flavoured, complex, textured palate of great length and refreshing acidity. This wine is pretty much heaven with grilled flathead, chips and a Greek salad. Summer perfection!
